  - ▲ indian pueblos
  - ★ points of interest
  - ✈ airports
  - county seat
  - other city or town
  - ⊠ U.S. highway
  - state highway

For your own safety and convenience  
make local inquiry before traveling  
on unimproved roads.

Help prevent accidents by observing the speed limits; 60 MPH in daytime, 55 MPH at night, unless otherwise posted. Do not pass cars when orange line is on your side of white center line. Our highways are intensely patrolled by Radar, marked cars and unmarked cars. Keep within the law, drive safely and enjoy your trip.
